

I would like to see the "no call" list remain as is. It has helped reduce the numerous disruptive number of calls that used to come into our home. Please do not take this small piece of privacy away from the public. Our homes are ours and should not be able to be disrupted at meal times and in the middle of the night with someone wanting to sell something. I shop when I want to buy. I do not need others pushing things in my face (ear). Thank you, Casey
